Have you seen the amazing race on TV? Wanted to give it a go?

Why not join 300 others in a race around the Brisbane CBD on a balmy summer evening.

The 5th annual City Raid race is scheduled for the 12th of February 2010. Teams of 2 are given maps and a huge list of challenges just before the race starts. They then need to get themselves around the city by foot, train and ferry and obtain points by successfully completing as many challenges as they can.

Challenges can include shopping for obscure items, launching off a 7mtr diving platform or making the perfect flat white coffee at a favourite coffee haunt. Teams choose which ones to tackle and in what order, making it an excellent event for all levels and abilities.

It is a great way to get out and active in our fantastic city!! More information can be found at the race web site at www.geocentricoutdoors.com.au
