

*Amazing Race around the City*

# **One Night in Vegas**

**25 February**

**2011**

**Roma St  
Parklands  
Brisbane**

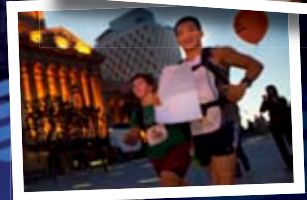

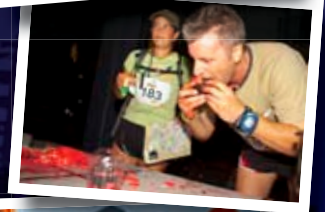

# Have you seen the amazing race on TV? Wanted to give it a go?

Why not join hundreds of others in a race around the Brisbane CBD on a balmy summer evening. The 6th annual City Raid race is scheduled for Friday 25th of February 2011 based out of the Roma Street Parklands.

How it Works: You will be given the course one hour before the start. Read all of the instructions in this carefully. The course will involve running/walking around the CBD. It will also involve the use of public trains/ ferries and include some "urban challenges". This race has a lot of decision making - this isn't a straight test of the fittest. Good team work, strategy, charisma and a sense of humor will be fundamental to getting through the race.

The event is "rogaine-style" which means you collect as many checkpoints as you can, in ANY order, within the three hours. To test your strategy though, each checkpoint is assigned a value. Obviously more difficult challenges are worth more points.

**Friday Night**  
**25 February 2011**  
**Roma Street Parklands**
